Award for Doonbeg Golf Club

DOONBEG Hotel Golf Club and Spa was among the winners, announced last week, in the annual Good Food Ireland awards. Doonbeg won the Good Food Ireland award for the West of Ireland, which is sponsored by Tourism Ireland

"Everything about the Lodge at Doonbeg is absolutely stunning. Even the drive to Doonbeg, along the magnificent coast road through Lisdoonvarna and past the Cliffs of Moher is breathtaking. But the true beauty of this castle-like lodge is better appreciated from the beach below the house," the citation read.

"Add to that the White Horses Spa, the beautiful beeches and the amazing dining experience, you'll be more than satisfied," it added.

Good Food Ireland operates as a not-for-profit industry organisation, driving food tourism for Ireland. It promotes the link between the food producer and the hospitality sector so as to steer visitors to places that are committed to using local food.
